

COST OF COPIES OF TAX RETURNS INCREASED

Gizette L. Thomas, Esq., Director of the Virgin Islands Bureau of Internal Revenue advises taxpayers that effective immediately, the cost of a copy of an income tax return has increased to \$57.00.

The cost of copies of local tax returns has also increased. The cost of copying less than 3 returns is \$57.00. The cost of copying three or more returns for a tax year is \$114.

Form 4506, Request for Copy of Tax Return, must be filled out and turned into the Bureau's office to obtain copies of tax returns. This form is available at all of the Bureau's offices. If you have questions, please contact the Bureau at (340) 715-1040.
